

Adventures in Music

for three and four year-olds

A one-year introduction to music just for fun – or with a view to joining Yamaha's excellent Junior Music Course.

Sessions involve the following elements:

- | | |
|---|---|
| Singing with words | for expression, mood and most importantly, for fun |
| Solfege singing & ear training | to encourage musical expression and pitch awareness |
| Rhythm training | through games, ostinatos, movement and percussion playing |
| Music appreciation | through movement and stories – short contrasting extracts specially arranged for the course are used. |
| Movement/
Rhythm step | using the whole body to feel the pulse of music
improves co-ordination and is fun for children and parents |

Lessons are held weekly with parents attending, last half an hour and cost £4. Please ask the office which days and times are available. A free taster session is always offered.
